

Nichirei Logistics Group

Corporate Philosophy

Mission

Spreading Happiness through Food into the Future

Vision

To create value by connecting Food, People, and Planet

We challenge ourselves to drive temperature-controlled logistics

By leveraging our expertise, experience, and network,
we deliver optimal, cutting-edge cold-chain solutions.
We remain an indispensable partner to society,
no matter what the changing world demands of us.

Values

〈 The Nichirei Way 〉

Act with integrity
Pursue quality
Exceed expectations
Unite to co-create
Value people

×

We pursue enhancing
“the value of the customer experience”
at every touchpoint.
Together with colleagues and partners,
we will build a future we all can be proud of.
